

AUGLAIZE COUNTY PROGRAM FEE

Clubs are requested to pay the \$2.00 per member program fee payable to the 4-H Committee. This fee will cover county program like the 4-H banquet, supplementing 4-H camp, cloverbud activities and other county events. This fee will replace county fund raisers conducted by the committee.

Clubs are required to pay this \$2.00 per member program fee to receive member and advisor awards. It is also still required for honor club recognition.

The checks for the program fee will have to be written separately from book bill payments and cannot be accepted at the office.

Members of clubs not contributing to the fund will not receive these awards.

To receive awards for the current year, payment must be made by September 15th. To guarantee club awards by the last day of fair, payment must be made by July 15th. Clubs paying after July 15th will receive their awards by September 15th.

A club contribution to the Program Fee is necessary to be considered for an Honor Club and needs to be in the Extension Office no later than September 1.
