

**4-H CHARTER CLUBS &  
GUIDELINES REGARDING THE USE OF 4-H EMBLEM**

All 4-H clubs must be chartered to be officially recognized by the Ohio 4-H program. Charters will be issued for 3 years and then clubs must reapply for their charter. Clubs must complete the checklist and return it to OSU Extension for review.

Included in this packet are the guidelines for the use of the 4-H emblem. Clubs should review these guidelines to insure they are not violating these guidelines. Questions regarding the emblem should be directed to OSU Extension.
