Dear Cloverbud Advisors,

Just a few updates as you get ready to start your 4-H year. If any of you still need a Cloverbud lesson book, please let me know. We do have some available for purchase. They are \$15.00. Below is a list of kits and supplies that you are welcome to use. The only thing we ask is to try and return them in a timely manner. On the second page is a list of craft supplies that we are getting rid of. (Leftovers from camps and other activities) These are available on a first come, first serve basis. Please be respectful and only take what you think you might use. If you see something you want but can't come and get it right away, a parent or older youth is always welcome to pick it up.

If you have any questions, please let me know.

Thanks,

LorI Now ☺
