Jordan Berelsman 4-H Scholarship

#

Jordan always put the needs of others before her own. She was selfless, generous with her love and constantly living her life to better this earth and the people walking it. She was a light to this world and mental illness blinded her from seeing that. She didn't give herself the same grace she gave to others and lost her struggle with mental health in October of 2022. Her friends and family developed this scholarship as a way to share her story, honor her legacy and give back to others, the same way she did. Jordan was a 7-year member of the Minster Livestock 4-H club and a 1-year member of Star Spangled Clovers. She participated in photography for 5 years, creative writing for 3 years and showed a market hog for 1 year. Jordan was also a camp counselor.
