

Dear Pesticide Applicators,

RECERTIFICATION

Auglaize County is offering one recertification opportunity for 2022.

Thursday, March 10, 2022 – Wapakoneta Eagles: 25 E Auglaize St. Wapakoneta, OH 45895

**There will be a plate lunch available to purchase for \$7.75 during our break.*

Pesticide Recertification: 9:00 am – 12:00 pm

Fertilizer Recertification: 1:00pm – 2:00 pm

- In the mailing you received from ODA, there is a white form that needs to be filled out and mailed back in the envelope they provided, **PLUS** you need to include a check (or credit card information) for \$30 made out to Ohio Department of Agriculture (ODA). This **MUST** be received by March 31, 2022.
- There are **TWO** separate fees that must be paid in order to keep your license up to date.
 1. **\$30 License Renewal Fee** – This is what must be paid directly to ODA and sent to them along with the renewal form that was mailed to you.
 2. **Class Registration Fee** – This fee is to be paid to our office. \$35 for Pesticide and \$15 for Fertilizer. You may write one check for \$50 if you need both Pesticide and Fertilizer training. See attached form at the bottom.
- Between Fertilizer and Pesticide, we have nearly 200 applicators that need to recertify this year. The more payments that are made **BEFORE** the class, the less receipts we need to write at the door, which will make check in go much quicker.
- If you have any questions concerning Pesticide/Fertilizer Applicators Recertification, please call our office at 419-910-6050 or 419-910-6062.

If you are unable to attend this session, there are various opportunities in neighboring counties we can direct you to, or more information can be found at our website at:
