Notes from the Office

Dear 4-H Family:

The fair is coming soon! This issue of the Gazette contains important fair and judging information, please read it carefully and put it in a safe place for future reference. I am looking forward to seeing you at the fair. Remember that the important part of junior fair is the opportunity to learn more, make friends and showcase the talents of our children. The competition and awards are a secondary part of what 4-H and junior fair is all about. The next issue of the Gazette will be sent in the fall. Until next time....

Sincerely,

Beth Miller

Address Check
Each 4-H household should receive one copy of the Gazette. If you are receiving more than one copy, please contact the office. We may have a discrepancy among family members' addresses or emails or we may not have blended families together. Also, if you know of a family who is not receiving this newsletter have them call the office.

See enclosed fair and judging schedules for important information.

Campers' Corner
A total of 142 attended camp this summer. Thanks to all who participated, it was a very fun and successful week! We do have some items from lost and found at the office.

### Grading Policy

A reminder of our grading policy for all 4-H projects. This system pertains to **all** family and consumer sciences, non-livestock and livestock projects. The advisor's and judge's grades will be averaged to determine a member's overall project grade. The two grades hold equal weight and will be averaged as follows:

A + A = A Final Grade

A + B = B Final Grade

A + C = B Final Grade

B + B = B Final Grade

B + C = C Final Grade

C + C = C Final Grade

Projects that receive B's or C's will not be eligible to compete for placings or awards in graded classes. All members are still allowed to participate in non-graded events. **The only exception to this rule on awards would be if there are no A's in a particular class; then the best of class could be selected.** This rule is exclusive per project. A lower grade on one project does not eliminate a member in another category. For example, if a member received an "A" in woodworking and a "B" in cooking; she/he could compete for awards in woodworking but not cooking.

### State Fair Participation

A 4-H member may participate in State Fair as many times as they qualify. If a member chooses not to go in multiple categories, alternates will be offered the opportunity. If you are contacted to go to state fair with your project, please let the office know as quickly as possible if you will go. We usually have alternates that can be offered the opportunity if we know in time to contact them. Members **must** go to state fair on the day that Auglaize County is scheduled to participate. **We will not request date changes for any state fair event.**

### Fair Rules

Review the rules of the departments in which you exhibit as well as the general rules at the beginning of the Junior Fair section.

### Livestock Tampering Rules

Included with this letter is a news release from the Ohio Department of Agriculture regarding livestock tampering rules. Please review this information.

### Grades for Members Not Exhibiting

Any 4-H member, who does not attend their scheduled project judging, will be assigned an advisor's grade only. This policy applies to judging prior to and during the fair. The advisor's grade will allow the child to have a completed project and receive credit for the 4-H year. Members not exhibiting at the fair do not receive fair passes.

## Upcoming Events

4-H livestock members, entering in the junior fair, are reminded that they will need to participate in interview judging on Thursday, July 21 beginning at 8:30 a.m. ending no later than 4:30 p.m. in the Exhibit Building. In addition to your project, members are asked to bring a 4"x6" photo (digital or print) of your project to judging. This picture will be attached to the judging sheet after judging. All project materials will be taken home after judging. This picture will be used for the judges to refer to when making placings. Writing project members should leave a list or summary of their works, but not the actual project. **NO other materials may be left for the judges to review.**

### Small Animal Show

Small animals will be judged on Tuesday, July 26. See judging schedule enclosed. Remember pet rabbits and dog care are a part of this show.

### Junior Fair Board Elections

The elections for Jr. Fair board will be held on July 21, 22, 26, 29, July 31 & August 1. Each Junior Fair member should plan to cast a ballot for your township representative. Members writing a letter of interest for appointment to the board need to submit the letter by noon, Saturday, August 6 to the Junior Fair Board Office.

### Livestock Sale Participants

Market hogs, including excess hogs, will be shipped to one packer. The only exceptions will be if the buyer at the sale specifies another destination. *Excess steers and lambs will also be shipped to the packer unless you specify another harvest destination, see fair book for available destinations. Exhibitors must notify the Sale Committee by 12:00 noon on Tuesday of the fair about excess animals. DO NOT wait until sale time to try to dispose of excess animals! Remember that you are responsible for your livestock until it is loaded on the truck.*

—► **Also, remember you must be present to sell your animal unless you have been granted prior permission by the Junior Fair Board. If you are not present and no one else has permission to sell your animal, then your animal will NOT go through the sale ring. You will simply receive the packer bid, no premium.**

### Drug Use Notification Forms (DUNF)

Please fill out your Drug Use Notification Forms completely. The form requires both member and parent signatures. The following animals must complete a DUNF: market steer, market hog, market lamb, market goat, market turkey, pen of broilers\*, lactating goat and lactating dairy cow. For broilers, one form can be completed for the pen of three, **UNLESS** an individual bird has been treated, then a separate form is required for that bird.

### Health Papers

Please refer to the fair book for requirements. The fair books were distributed through local newspapers in May. *Dog and cat members* are reminded that their required vaccinations need to be up to date. *Goat and sheep members* are reminded to have scrapie tags and their completed forms.

### Thank You Letters

Every year, many people donate their time and money to support the Junior Fair. Please send a letter of thanks to those people who donated your trophy or purchased your animal at the sale. You also want to thank the contending bidder on your livestock. Without that second bidder, there is no sale. These letters make a difference to these supporters. Do your part to help insure this kind of support in the future. **A SPECIAL NOTE TO ADVISORS AND PARENTS** - please see that your children follow through on these thank yous. With your help, we hope to increase the number of thank yous being written. We seem to get more comments year by year from buyers and donors that they never receive a thank you. **No project is complete until the thank you is written!!** The strongest three words for securing and maintaining support are Please and Thank You.

**A note to sale participants**—please do not approach the auctioneer's stand or the sale committee office to find out who your buyer was. Interruptions can create incorrect information on sale records. As stated above, the information will be available after the fair at the Extension Office.

***Gracias! Merci!! Mahalo!!!***

## IMPORTANT LIVESTOCK SALE INFORMATION

### Market Animals

A reminder that we have completely terminal shows and sales. What does this mean? Any animal that is shown in a market animal class will be sent to harvest at the end of the fair. No market animals may return home. All market animals will be harvested by a packer or through custom harvest for the freezer. See fair book sale rules for specific details.

### Livestock Sale Buyer Pre-registration

As you invite local businesses to attend the sale and support all junior fair livestock exhibitors, please mention that they can pre-register for the sale on Thursday, August 4 from 7:00 to 9:00 p.m. in the Junior Fair Building. Many buyers appreciate this opportunity so they do not have to wait in line on sale days.

### Multiple Buyer Forms

The Sale Committee gives the buyers a form to use if they have multiple buyers for one animal. These forms are for buyer use only, members may not use these to recruit bids! Thank you for your cooperation.
