Due - May 15
To - Address provided

OHIO SEA CAMP

This camp is open to 4-H members, ages 15-17. The camp is designed to provide youth with learning experiences relating to the environment, specifically the Great Lakes.

The camp is held at Kelleys Island 4-H Camp on Lake Erie. The camp is held in July. The camp features: fishing, sailing, snorkeling, lure making, weather, geology, marine biology, safety practices, and environmental education.

Applications are available in our office after March 1 of the current year. Applications should be returned to the address provided. Deadline to apply is May 15th.

Participation is limited, so applications should be made early. Participants will be notified if they have been selected.
